# MERCURY INSURANCE IS THE 'BEST PROPERTY AND CASUALTY INSURANCE' COMPANY IN ORANGE COUNTY, ACCORDING TO LOS ANGELES TIMESOC

---

 TimesOC's 2019 Readers' Choice Awards highlights Orange County favorites

Nov 2019

---

Southern California's Orange County is a bounty of retail, cuisine, pampering and more. With so many options for your hard-earned dollars, how do you choose where and when to spend your time and money?

Los Angeles TimesOC, for the third consecutive year, has polled residents to compile its "Orange County's Best: TimesOC Reader's Choice Awards," an annual list of the best businesses decided by editorial picks, and readers' nominations and votes in more than 85 categories, including restaurants, entertainment, shopping, insurance and more.

Mercury Insurance is proud to have been named [TimesOC's Best Property and Casualty Insurance](#) in Orange County for 2019. This is the first year Mercury has earned this fan-favorite distinction.

"Our goal has always been—and will continue to be—to provide exceptional service to members of our communities and help protect the things that are important to them," said Mercury Insurance president and CEO Gabriel Tirador. "It's not often you find a property and casualty company on the same list as 'best beach' or 'best theater,' which just shows how invested Orange County residents are in everything that makes Orange County great. It's truly an honor to receive this recognition from TimesOC readers."

Founded in Los Angeles in 1962, Mercury has been dedicated to protecting its customers, their families and their property by providing the best service and protection at the lowest possible rate. Mercury Insurance is one of the leading insurance providers in its home state of California, and makes a continual effort to provide Southern Californians with top-tier service.
